

## A WAKE UP CALL

### Jew hatred is on the rise again

#### \*From 1922

>> ..it is foreigners who create and work for him (the Jew): it is foreigners who shed their blood for him. He knows no 'people's army': he has only hired mercenaries who are ready to go to death on his behalf..... Adolph Hitler, 1922

#### To 2003 - THE MESSAGE IS THE SAME

>> ...but today the Jews rule the world by proxy.".....They get others to fight and die for them."

>> "Jews invented socialism, communism, human rights and democracy so that persecuting them would appear to be wrong..."

>> 1.3 billion Muslims cannot be defeated by a few million Jews.

#### *Oct 2003. Prime Minister Mahatir Mohamed of Malaysia farewell address as President of the Organisation of the Islamic Conference.*

These are treacherous words. And after the prime minister made this hateful speech, something happened that was even worse than the lecture itself. He received a standing ovation from his audience of 57 world leaders, representing 1.3 billion people. In their own words, here is what they thought of the prime minister's loathsome speech:

"Nobody felt it was inflammatory. A very, very wise assessment." - Egyptian Foreign Minister, Ahmed Mahe

"Very correct." - Afghan president, Hamid Karzai

"I agree 100 percent. The prime minister outlined a very important issue that the Israelis and the Jews control most of the economy and the media in the world." - Yemen Foreign Minister, Abu Bakr al-Qurbi

**This kind of language, which attributes to Jews a variety of demonic powers, is reminiscent of the crudest and most revolting JEW HATRED in history.**

**Both France and Greece blocked the EU condemnation of this speech.**

MEANWHILE:

Incredibly the Europeans perceive Israel as the greatest threat to World peace according to a recent poll.

From the Hamas Covenant: Our struggle against the Jews is very great and very serious. In the Arab and Muslim world Hatred for the Jew is preached in mosques, on TV, through football tournaments, on posters glorifying suicide murderers, magazines available in England, and in Palestinian school books funded by the EU.

## Human Rights and Palestinian Children

U.N. Office of the High Commissioner for Human Rights

### **Declaration of the Rights of the Child**

Principle 10

Proclaimed by General Assembly resolution 1386(XIV) of 20 November 1959 -

*"The child shall be protected from practices which may foster racial, religious and any other form of discrimination. He shall be brought up in a spirit of understanding, tolerance, friendship among peoples, peace and universal brotherhood, and in full consciousness that his energy and talents should be devoted to the service of his fellow men".*

### *Examples of Incitement in Palestinian Textbooks*

§..."There will be a Jihad [Holy War] and our country shall be freed. This is our story with the thieving conquerors. You must know, my boy, that Palestine is your grave responsibility." (a)

§..."The honourable soul has two objectives: Achieving death and honour." (b)

§..."Martyred Jihad fighters are the most honoured people, after the Prophets.." ©

§..."Lessons to be learned: One must beware of the Jews, for they are treacherous and disloyal" ©

§..."Remember: The final and inevitable result will be the victory of the Muslims over the Jews." (a)

Excerpts from school books (a). 'Our Arabic Language'

§ In addition Israel is obliterated in every atlas and totally absorbed by Palestine.

## THERE HAVE BEEN EIGHT ARAB REFUSALS OF A HOMETLAND FOR THE PALESTINIAN ARABS. WHY?

### Eight refused offers of a homeland for the Palestinian Arabs

#### PALESTINIAN STATEHOOD - THE OFFERS (ALL REJECTED)

**1937:** Britain's Peel Commission recommended partition of Palestine into a Jewish and an Arab state. Echoing others, Auni Bey Abdul-Hadi said, "There is no Palestine... Our country was... part of Syria."

**1947:** UN proposed an Arab and a Jewish state. Arabs refused.

**1948:** In line with UN Resolution, Jews proclaimed Israel, invited Arabs to share as equal citizens in building state for all. Rejected. Five Arab states made war, thousands of Jews fell before victory.

**1967:** When Arab states massed again, Israel won 6-Day War but offered to return conquered territory. Arab response: **No recognition, no peace, no negotiations**

**1979:** At Camp David I, Israel offered Palestinians independence in exchange for peace. Palestinians rejected the offer out of hand.

**1993:** When Arafat signed Oslo accords and vowed to renounce terrorism, he later revealed on Jordanian TV that this was part of a "1974 plan," a step towards unchanged goal of destroying Israel.

**2000:** Camp David II. Israel accepted, Arafat rejected Clinton plan.

**2001:** Israeli PM Ehud Barak offered East Jerusalem, Gaza, 97% West Bank, + 3% Israeli territory. Arafat rejected and initiated his intifada.

**Background:** Jews have existed in what is now Israel and the administered territories for 3800 years - - nearly 2500 years before the Arabs and Islam arrived.

Modern Jewish refugees in 1882 found fewer than 250,000 Arabs, many of them nomads.

But when the Jews made deserts and swamps blossom, hordes of Arabs immigrated, seeking to benefit.

The mandate awarded to Britain stipulated "close settlement" of Jews but Britain restricted Jewish immigration to appease Arab interests and cut away three-quarters of the land to form (Trans)Jordan, now mainly populated by Palestinian Arabs.

**Nonetheless, the Jews have consistently agreed to give more, for the sake of peace.**

## THE LEBANESE CONNECTION

### Syria and Hizbollah

In May 2000, the Israeli Defence Forces (IDF) withdrew from areas of **Lebanon** captured in the 1982 war to the border, exactly as defined by the UN.

Instead of this unilateral gesture precipitating peace, **Lebanon** allowed the Iranian and Syrian-backed **Hizbollah** terrorist organization to take control of the border area.

**Hizbollah** then initiated the following:

- \*October 2000 **Hizbollah** kidnapped three Israeli soldiers. In a separate incident they abducted a retired colonel.

- \*Fired mortar shells and anti-tank missiles at IDF posts.
- \* Made shooting attacks on IDF posts and patrols.
- \*Planted mines and set roadside bombs on Israeli soil.
- \*Fired barrages of Katyusha rockets and anti aircraft missiles at Israeli towns.
- \*Sent armed gangs to make infiltration attempts into Israel.

Both soldiers and civilians have been killed as a result of these acts of war.

The **Hizbollah** leadership has pledged "to work day and night to capture more Israelis" (sic).

**Syria** maintains about 16,000 troops in **Lebanon**, based mainly east of Beirut and in the Bekaa Valley. **Syria's** troop deployment was approved by the Arab League during Lebanon's civil war and in the Ta'if Accord. Damascus justifies its continued military presence in **Lebanon** by citing Beirut's requests and the failure of the Lebanese Government to implement all of the constitutional reforms in the Taif Accord

CIA (The World Factbook)

"**Syria** uses **Hizbollah** to keep pressure on Israel. **Hizbollah** is **Syria's** proxy army against Israel.....the Syrian occupation army in Lebanon never attacks Israel."

( Ariel Natan Pasko Aug 2003, Michigan News)

§ The Israeli government has a duty and a resolve to protect ALL of its citizens from terrorist organizations whether they be JEWS, CHRISTIANS, MUSLIMS or followers of any other religion.

§ What is now needed from other states, who like Israel espouse humanitarian and democratic values, is to act against those states who sponsor and encourage terrorism, on Israel's borders.

## REFUGEES from the MIDDLE EAST

**The PALESTINIAN ARABS are the ONLY GROUP IN THE WORLD TO HAVE THEIR OWN UN AGENCY, "UNWRA"**

**Never before has the status of refugee been converted into a "Nationality".**

**Third and fourth generation Palestinian Arabs claim refugee status.**

**Existed millions of refugees WORLDWIDE AFTER WORLD WAR II**

**It is unprecedented for any peoples other than the Palestinian Arabs to remain as refugees!**

*JEWS lived in what are now Arab states since the Babylonian destruction of the first Jewish Temple in Jerusalem, in 586 B.C.E.*

*Middle Eastern and North African Jewish communities, among the oldest in the Jewish Diaspora, came to a tragic end in the 1940s and early 1950s when Arab governments forced over 800,000 Jews to flee.*

*Throughout the Arab world, Jewish communities have been persecuted and forced to emigrate, often with their property confiscated.*

*From 1948 to 2001,*

- Jewish population in Morocco declined from 285,000 to 5,700!*
- Jewish population in Tunisia declined from 110,000 to 1,500!*
- Jewish population in Algeria declined from 140,000 to less than 100!*
- Jewish population in Egypt declined from 75,000 to less than 100!*
- Jewish population in Syria from 30,000 to less than 100!*
- Jewish population in Lebanon from 20,000 to less than 100!*
- Jewish population in Iraq from 150,000 to less than 100!*

*more than 600,000 of the Jewish refugees from Arab lands have been absorbed by Israel*

*( These figures do not take into account Jews who have fled from Iran, Yemen, Libya and other Islamic states)*

Almost all Countries in THE MIDDLE EAST forbid Jews to own property including Jordan, Saudi Arabia, etc.

NUMBERS OF PALESTINIAN ARAB REFUGEES: 1948/9 The United Nations Conciliation Commission put the number at 726,000 but according to UNRWA data it now supports 3,172,641 registered refugees in its "area of operation" - West Bank, Gaza, Jordan, Syria, Lebanon, plus an estimated 335,000 non-registered "displaced persons".

## *The British Mandate of Palestine*

### *a brief history*

>1920 The Mandate for the territory of Palestine was signed by the League of Nations.

>1922 The British mandate for Palestine came into force

>1923 Great Britain, without consultation, and contrary to the intentions of the Balfour Declaration of 1917 and the Palestine Mandate of 1922 unilaterally declared a new territory, the State of Trans-Jordan. This carved off approximately 3/4 of the area of Palestine, which was given exclusively to the Arabs. Jewish immigration to this territory was closed.

This new State of Trans-Jordan later became known as Jordan. In the same year, the Golan Heights was ceded to the French. Jewish immigration severely restricted. Arab immigration not restricted or even recorded.

Arab Riots took place throughout the 20's and 30's resulting in the deaths of hundreds of Jews

>1939 White Paper imposing more severe restrictions on Jewish immigration to Palestine

>1939-45 Desperate situation for European Jews under Nazi persecution; Britain still insists on immigration limits; Jews turn to illegal immigration and violent resistance to survive. Many serve in allied forces. Arab leader, Mufti of Jerusalem joins Hitler in Berlin planning extermination of Jews in the Middle East

>Spring 1947 Britain transfers Palestinian Mandate to the United Nations

>29-11-1947 UN approves partition of land (UN resolution 181) - Arabs respond by attacking Jewish settlements.

>May 14, 1948 British Mandate ends; State of Israel proclaimed; Egypt, Iraq, Jordan, Lebanon and Syria invade the following day.

*Following the Israeli war of Independence 1948, the inhabited areas were divided along cease-fire lines between Israel/Egypt and Israel/Jordan. 8,000 square kilometers became Israel,*

*The rest of the area of Western Palestine, (5,700 square kilometres of historic Judea and Samaria) was annexed by Jordan and renamed the West Bank, 360 square kilometres were occupied by Egypt and called the Gaza Strip.*

**This left under 7% of the originally promised area of the Mandate for the Jewish Homeland.**

## Defence and the Security Fence

***NO TERRORISM = NO FENCE***

***NO TERRORISM = No Checkpoints***

***NO TERRORISM = a Palestinian aArab homeland***

### The Anti-terrorist barrier

From 29.09.00 until 29.11.03 the Israeli Government has had to deal with...

**898 murdered** (of which 632 civilians) by terrorist incidents which include attacks by

mortar bombs	1
rocks	2
stabbing	6
running over	8
lynching	17
shootings by ambush	21
shootings at military	26
drive by shooting	37
car bombs	38
bombings	60
shooting	188
suicide murders	411

and 6003 injured (of which 4257 civilians)

***DURING THIS PERIOD THERE HAVE BEEN 19,636 TERRORIST ATTACKS***

It is a *fifteen minute walk* between the Palestinian Arab city of Kalkilya and the Israeli city of Kfar Saba - 4 terror attacks and 5 killed

From the green line....

It is a 1 minute walk to Rosh Ha'ayin - 2 terror attacks 2 killed

It is a 30 minute walk to Megido - 1 terror attack 17 killed

It is a 60 minute walk to Afula - 5 terror attacks 26 killed

It is a 25 minute drive to Natanya - 14 terror attacks, 50 killed over 600 injured

Prior to the first intifada there was free movement between the administered territories and Israel

Terrorism has resulted in closed borders and checkpoints.

The route of the Security Fence has been defined solely by security and topographical needs, and affects under 2% of the West Bank. Full compensation is being paid where appropriate.

A similar fence constructed around Gaza under Israeli /Palestinian agreement in 1994 has ensured that almost no terrorists have succeeded in penetrating from there into Israel.

This is why there has been a decision to build the Security Fence - to protect the Israeli population !

**As soon as there is a Genuine partner for Peace the security fence<sup>1</sup> can come down**

## Who are the Palestinians ?

Until 1950 there was

- the Palestine Post;(now known as the Jerusalem Post)
- the Palestine electric company; (now known as the Israel Electric Company)
- the Palestine Philharmonic (now known as the Israel Philharmonic)
- The Palestine Foundation Fund,
- The Joint Palestine Appeal
- Palestine Economic Corporation, etc.etc.etc.....

They were all Jewish organisations

Until the establishment of the State of Israel in 1948, and for another decade or so the term 'Palestinian' applied almost exclusively to the Jews

### *Who are the Palestinians?*

13c BCE Exodus from Egypt. Biblical kingdoms of Israel Judah and Judea formed.

132-135 CE Conquests by the Romans who , first used the name of Palaestina ( after Philistine) in attempt to expunge Jewish connection after crushing the last Jewish Revolt, killing many and also selling Jews into slavery.

There have always been Jews and Jewish communities in the area which came to be known as Palestine, although the size and conditions of those communities fluctuated greatly
